*Det här är en liten snutt från Miley Cyrus/Hannah Montanas låt if we where a movie.*

*Den passa bara så bra in i mitt liv...*

### **If Whe Where A Movie**

“If We Were A Movie”

Uh oh

There you go again talking cinematic

Yeah you!

You're charming, got everybody starstruck

I know

How you always seem to go

For the obvious instead of me

But get a ticket and you'll see

If we were a movie

You'd be the right guy

And I'd be the best friend

That you'd fall in love with

In the end we'd be laughing

Watching the sunset

Fade to black

Show the names

Play that happy song

Wish I could tell you there's a twist

Some kind of hero in disguise

And we're together

It's for real

Now playing

Wish I could tell you there's a kiss

Like something more than in my mind

I see it

Could be amazing
