## Go fish!

y'all

you've

juvinates

made me sceam my beliefs

rock the hunches of my back and hide what

we all know will be

is it so wrong to be honest and disagree

if you aks me and if you ask them

2

i have niente entiendo nintedo

4

firearms to poll ute of more

b-prisoned and he-roic about delour

you do not seam to sew u-r-own satisfaction

i will pray for u-2-turn to agreements

papercutter laws and seamon straws

out of old flaked of flaws

cascaded along the thunder-bolt

sound-on-to walls

call me

call me

call me

sunday after noon groom your wisdom and come on over

i bet i miss heard you last un spelled sentence

aqua

a cuando

aquantencies

a quarter of mile of tendencies

i turn of the light for you to see

u-r

ER

owned

do not need an

manufactured plasma play boy oh boy! panic attack at the wack-smack

what-the-hell-wrestle-attack

you do not need

their ambulance  
aren't you fine  
wine to dine in between  
more  
more  
more  
than meanings are ment for  
they all dig deppaa don't they  
keep her for lessons learn-d  
and sweep her up in your arms during  
all  
u  
turns

miles and miles and miles we go  
i cried yesterday infront of the lord  
i realized what fear is and i agree  
it pacifies my soul to mink and mince for other than he

figs and apples  
covered up

snapple snap a sugar coated rapper  
sweep him of his feet  
se how long  
he'll stay sweet  
before he needs  
his achers

i have bitter tendencies  
maybe it's natural au de sweden

maybe it is lacked for fee  
foo  
fi  
hi  
fie  
no fi  
go for sunken blood sugar below  
go fish for function frozen  
stolen pur-pur-purrr-posed

glow

the  
beliefs  
of the surface

i achieved  
to return  
the  
purchase

amen to all  
the lessons learned

blessed are those who haven't yet heard  
for one day

they will all  
listen
