

X man

Part of me
feels
lost
and
not part
of
this world

Part of me
stuck
in
deep
sadness
of
not
belonging
of
feeling
outside

I now
welcome
this part
of me
back to
this world

It is
now
a
safe
place
for
me

to be
in

My X man
has
finally
lost his
control
over me
and
I can
feel
at
peace

I am
so
grateful

Thank
you
life
