

## **RAGE**

In the past  
people have  
tortured me  
slaughtered me  
and  
buried me  
alive

Today  
I feel  
rage  
cooking  
and  
I feel  
bruised  
inside

Now  
I wish  
to let go  
of all  
my pain  
and  
I can feel  
a fire  
going on  
inside  
burning  
and  
erasing  
the past  
from  
my  
soul
