Don't cry a river of tears...

I'm going out now to never come back,
This is the best thing I can do,
To be sure not to brake your heart,
But were ever I go I know this,
My love for you will always stay in my heart,
I know that you'll be ok,
Cause I know you're strong,
Yea, you're strong to survive with out me,
So please I beg of you,
Do not for me cry a river of tears,

Don't cry rivers of tears,
I'm gone and nothing is there to change,
The tears that falls,
Just builds up empty space in your heart,
So please don't cry a river of tears,

I feel like my work here is done,
I don't feel joy anymore,
I can only feel how my heart brakes apart,
I don't want you to feel the same,
You'll be fine cause I know you're strong,
So I beg you for the sake of me,
Don't cry a river of tears for me,

Don't cry rivers of tears,
I'm gone and nothing is there to change,
The tears that falls,
Just builds up empty space in your heart,
So please don't cry a river of tears,
