En dikt av min kusin Frippe. Han skrev den då han var 10 år. Han är 13 idag.

Great Deku tree

Oh, Great Deku tree you're lonely, lonely, lonely.

It's tree, leaf and a brain only, only, only.

You don't have a heart, you cannot move and that I can prove.

You give me a leaf, one of your millions and said that was magical.

You call it "The Deku leaf, use it and you can fly".

Oh, Great Deku tree I wanna see you die.

Oh, Great Deku tree I wanna throw my boomerang.

Oh, Great Deku tree it should say bim, bom, bam and bang.

You don't have a heart...

Oh, Great Deku tree I wanna give you flames, flames, flames.

Oh, Great Deku tree then we should play games.

You don't have a heart...
